## About the FSSP

The Priestly Fraternity of St. Peter (FSSP) is a clerical Society of Apostolic Life of Pontifical Right, canonically erected by Pope St. John Paul II in 1988. Their priests serve in apostolates across the world, with the faithful celebration of the traditional Mass and Sacraments (Extraordinary Form of the Roman Rite) at the center of their charism.

The members of the Priestly Fraternity of St. Peter, nourished through the spiritual riches of the Church's ancient Roman Liturgy, strive to sanctify the seminarians, religious and faithful entrusted to their pastoral care.

The Fraternity has chosen St. Peter as their special patron in order to express their gratitude, filial love, and loyalty to the Supreme Pontiff. Using the ancient liturgy as our well-spring, we form our priests in the traditions of the Church to serve at the altar and in the parish so that the fullness of Christ might enter the emptiness of the world.
